رَبِّ اشْرَحْ لِي صَدْرِي

It is the guide to the correct way of the components of the system and ways to deal with it and not to intercept the way of its implementation in every part of it and in its entirety and help to progress and apply in each unit of time and in the smallest possible unit of it.

وَيَسِّرْ لِي أَمْرِي

It is the guidance of the right path and instinct in the creation of creatures, especially human that make things more streamlined and interactive with different parts of the system and access to what is required to implement God Almighty and to create in this world and the other

وَاحْلُلْ عُقْدَةً مِّن لِّسَانِي

It is the guidance within the human body before the utterance of words and actions and before interaction with the whole system and every component in this system

يَفْقَهُوا قَوْلِي

The final stage before obtaining the final judgment of success in the arrival of the message and then comes the rule of God Almighty to the participants in this system and the arrival of the letter in the world and in the hereafter with the interaction between the different parts involved in these operations with the application of the rule of God in the world and the rest
